

SOUTHPORT CENTRAL SCHOOL

Southport Central School is part of AOS 98 which includes Boothbay, Edgecomb and Georgetown Schools.

We are a unique island school that provides students many educational opportunities for individual attention and growth.

Within our multiage classrooms, students may access many levels of learning with teacher and peer support. Students are provided the opportunity to move between classrooms to best meet their individual learning needs.

Staff at SSC strive to meet students' individual needs.

Southport Central School is a high-performing elementary school offering a comprehensive education in a small school environment. Staff members pride themselves on knowing all our children and providing a personalized education to ensure success.

BELIEF STATEMENT

Education is a lifelong process which begins with our students and their families, extends to our schools, and encompasses our entire community.

Our common goals are to create a safe environment, stress academic excellence, respect diversity, and promote self-awareness and an appreciation of the world.

Shared high expectations lead all students to develop the knowledge and skills to participate constructively and creatively in society.
